

BREAD OF LIFE FRONTIER

4th Quarter 2003

A Word of Thanksgiving

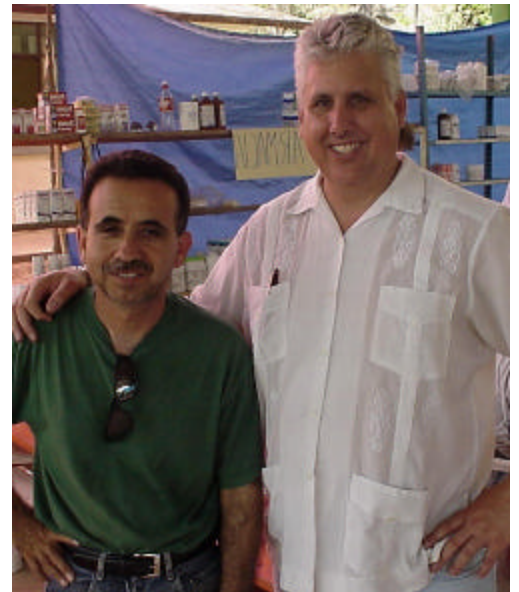

At this time we give thanks to God and to all of you who make this work possible. The Apostle Paul said there are many parts, but One Body.

It takes prayer, labor and money for this ministry to happen. We are so grateful for your continued support. I have told many people that I have

witnessed a great harvest being reaped that Don Albrecht sowed for 28 years.

Thanks to all of you who pray for this work. When we work, we work. But when we pray, God works. Thanks to the following bodies of believers: Brazospoint Fellowship, Lake Jackson Presbyterian, Lake Jackson Baptist, Harvest Field Ministries for hard work and tremendous construction talent. To Eric Peterson, for leading groups from Illinois and Nebraska to work in Matamoros. May God richly bless you and continue to send forth laborers into His fields.

Matamoros Land Readied For Inaugural Encampment

Vision for "Proyecto Oasis" (Project Oasis)

Las Palmas Current Location

Praise God! After nearly three years of prayer, planning and preparation, the new land "Proyecto Oasis" (Project Oasis) is ready for its first organized activity.

As I am writing this, approximately 60 youth from church plants in Aztec country, Ciudad Victoria, Monterey and Reynosa are making their way to Matamoros for a 4-day spiritual adventure in the new facility. Of the 60 youth,

half are "churched," and the other half are "unchurched." We are grateful to all who have been involved in prayer, physical labor and financial support to make this vision a reality. Please pray that God would use these youth to take the Good News to the 2,200 unreached Aztec villages and to millions of lost people in Matamoros, Monterey, Reynosa, Ciudad Victoria and throughout Mexico.

Meet the Klassens

Who are these tall Canadians? Phil Klassen and his wife, Karen, are directors of Harvest Field Ministries. They have been missionaries to Mexico for the last 14 years. Phil has been instrumental in leading and consulting on the construction projects with BLFM. Karen is an RN and helps coordinate medical outreaches. We really are blessed with gifted partners who see the benefits of teaming up for the glory of God! Please keep them in your prayers.

New Co-Pastor For Las Palmas Church

With humble beginnings, the Las Palmas church plant began about 13 years ago with 8 families. We praise God that the church has flourished with nearly 400 in attendance. With the current and expected new growth with the larger facilities, we are pleased to introduce Pastor Gilberto as Juan's co-pastor. Gilberto is gifted and well-received by the church. He is one of the original members of Las Palmas and felt God's calling to leave his engineering job to serve as co-pastor with Juan Roque. Gilberto continues to lead Grupo Alavanza, the praise and worship band. Please lift up Pastor Gilberto and Las Palmas in prayer. Bread of Life has committed to financially support him in this transition.
